**RE: Assignment of SEIU Local 1292 Rights to SEIU Local 1021  
Agenda Item for 3/27/07 Board of Directors Meeting**

SEIU Local 1292 was recognized about three years ago by the Agency as the exclusive representative of the five employees in the Clerical and Support Employees Unit. Local 1292 recently informed the Agency that it is being absorbed by Local 1021, as part of a reorganization of California locals. The union is reducing the number of locals in California by about half. Both locals concur with the change, and the Agency is being asked to affirm its acceptance of the assignment of representation responsibilities from Local 1292 to Local 1021.

Please consider the following action:

**"I move acceptance of the assignment of responsibilities from SEIU Local 1292 to SEIU Local 1021, and authorize the General Manager to notify said locals of the Agency's concurrence."**
