

## ***SOUTH FEATHER WATER & POWER AGENCY***

---

**TO:** Board of Directors

**FROM:** Steve Wong, Finance Division Manager

**DATE:** January 21, 2010

**RE:** General Information (regarding matters not scheduled on the agenda)  
1/26/10 Board of Directors Meeting

### **South Feather Relicensing Consulting Services**

HDR Engineering, Inc. (HDR), consultant for the South Feather Project relicensing have submitted invoices and reports for the periods of October 25 through November 21, 2009 and November 22 through December 26, 2009 in the amounts of \$6,384 and \$4,672 respectively. The payments to HDR for their services, including these invoices, amount to \$5,052,347.

### **Customer Service**

As directed by the General Manager, the Finance Division has commenced with efforts to improve the customer service levels for the office and administrative functions of the Agency. The Finance Division team is in the process of reviewing all of its methods and activities from a customer service perspective. The team has exhibited a positive attitude through the process and is embracing the assignment on personal and professional levels.

### **New Trucks**

Four new trucks have been ordered, all included in the 2010 Annual Budget, one for the General Manager, one for the Regulatory Compliance Manager, one to replace a Water Division Foreman's vehicle and a replacement for a Ditchtender vehicle. The prices are all coming in under the Adopted Budget amounts. In the meantime, Art is coordinating the disposition of four trucks no longer of value to the Agency.

### **Disposition of Trucks**

Within the next week, three surplus vehicles will be placed on Craigslist.com. The five-day advertisement period makes the vehicles available in a silent bid process. At the conclusion of the five day period, the highest qualified bidder(s) will be notified. As a test and trial, a fourth surplus vehicle will be sent to an auction service based in Sacramento. This service specializes in the disposal of surplus government vehicles.

## Finance Division Operations

Accounting, budgeting and purchasing policies, procedures and practices continue to be reviewed, as the July 1, 2010 commencement of the new power purchase agreement gets closer.
