**RE: Delinquent Accounts to be Added to 2005-2006 Taxes
Agenda Item for 7/26/05 Board of Directors Meeting**

Although we have modified and greatly improved our delinquent account collection process over the past several years, circumstances will always prevail that prevent us from resolving a few accounts. Every year there will be a number of accounts that are not responsive to our best efforts, even though service has been discontinued. These unresolved accounts usually result from a change in the ownership status of the property: death of the owners and unresolved distribution of the estate; abandonment of the residence; ongoing lawsuits; etc. This year we have 36 such accounts (up from 23, 31, 35, 39 and 55 the last five years, respectively).

As a public agency, SFWPA is able to collect delinquent accounts by placing them on the Butte County tax rolls. The cost for this service, levied by the Tax Collector, is 30¢ per parcel, for a total this year of \$10.80.

Attached is a list of the 36 accounts and their individual total delinquencies. The good news here is that we have been able to collect all but \$9,234 of our delinquencies this year through routine collection procedures.

The recommended form of action is:

"I move adoption of Resolution 05-7-1, authorizing 36 accounts, for a total of \$9,234.35 plus fees, be added to the 2005-2006 Butte County tax roll."

SOUTH FEATHER WATER & POWER

Resolution No. 05-7-1

WHEREAS, the Board of Directors of the South Feather Water and Power Agency acknowledges the Agreement entered into in 1990 between Butte County and South Feather Water and Power Agency (formerly Oroville-Wyandotte Irrigation District) providing for the collection and distribution of special assessments by Butte County for and on behalf of the Agency; and,

WHEREAS, the County of Butte has tendered a form of Agreement for the provision of such services to the Agency at a cost of 30¢ per parcel.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the South Feather Water and Power Agency that the schedule of delinquent accounts attached hereto as Exhibit A, be collected by the Butte County Tax Collector and submitted to the Agency for the year 2005-2006; and,

BE IT FURTHER RESOLVED that the Butte County Auditor-Controller, per the consolidation schedule of prior charges submitted, be authorized to add these charges to the Butte County Tax Rolls for the year 2005-2006 under the appropriate heading "SFWP Prior Charges," such consolidation schedule consisting of delinquent accounts as aforementioned. It is understood that the property deeded by the Agency or by Butte County is not included in this schedule submitted because the County will not include these parcels on their active roll. Such delinquent accounts shall be payable in two installments under and pursuant to the provisions of §25806(a)(1) of the Water Code of the State of California and is without regard to property valuation.

PASSED AND ADOPTED by the Board of Directors of the South Feather Water and Power Agency at the regular meeting of said Board on the 26th day of July, 2005 by the following vote:
